

CHANGE!

**Unless, of course, you're happy
with the way things are**

Stan Sheinbaum:

- is a former police administration consultant
- is a former U.S. advisor to Vietnam
- is a leading economist (that means tax reform)
- wants to restore governmental power to the congress - where it belongs

Incumbent Teague:

- in 14 years has sponsored NO major legislation
- in 14 years has repeatedly voted against federal aid to primary and secondary schools (that means you pay higher property taxes)
- has voted against ALL legislation to help labor and the working man
- strongly endorses Max Rafferty

After 14 years, don't YOU think it's time for a change ?
